

Railroad Crossing and Intersection Improvement Project on Highway 41

Construction & Detour Information

Project Rendering

Detour Routes

- █ Regional Signed Detours
- █ Local Unsigned Detours
- █ Highway 41 Project Area
- ⊗ 3 Week Closure - Traffic Detour

Project Construction Period

Construction activities will be occurring late June through the middle of August 2024, with some work occurring with the roadway open to traffic.

Hwy 41 Closure

The roadway will be closed to through traffic for approximately 3 weeks while the rail crossing is improved and for concrete pavement replacement. The estimated timing for start of this closure is July 8, subject to weather and progress refinements to begin the closure period. Signage will be placed a week in advance noting the date of closure.
