

MDEWAKANTON PUBLIC SAFETY FIRE TRUCK OF THE FUTURE

The Shakopee Mdewakanton Sioux Community's (SMSC) full-time fire and EMS department, Mdewakanton Public Safety (MPS), is now using the first truck of its kind in the country.

Combined fire engine, ladder truck, and EMS/rescue vehicle; helping downsize the overall fleet

30,000 pounds lighter than a standard ladder truck, causing less damage to roads and driveways

Compressed air foam system that is **several times more effective** in fighting fires than water

Greater reach with a shorter (yes, shorter!) ladder

ABOUT MDEWAKANTON PUBLIC SAFETY

MPS provides fire and emergency services to SMSC members who live on the reservation and guests visiting Mystic Lake and Little Six Casinos. MPS also assists neighboring municipalities through mutual aid agreements.
