The Shakopee Mdewakanton Sioux Community Health Department has a genuine interest in the health of its members, employees, and the Native Americans residing within our service area. It is the goal of the community to provide health care that would:

- Protect and improve the health and well being of its members, employees, and service area Native Americans as well as to support the wellness education benefiting Native Americans in the Northern Plains Region along with throughout the United States.

Additionally, the Shakopee Dakota Clinic provides primary care and case management services for Community members and Native Americans living in Scott County as well as urgent care and occupational health services for its employees. Family Nurse Practitioners, Registered Nurses, and a Licensed Practical Nurse as well as a consulting Family Practice Physician staff the clinic and specialists as needed. Full laboratory services are provided through the Health East Medical Laboratory System. The Shakopee Dakota Clinic sponsors various health outreach functions including Men’s and Women’s Health Days, a specialty clinic for Diabetes and Metabolic Syndrome/Obesity management, a Mental Health Management Clinic, employee health programs, and an annual health conference for Northern Plains Native Americans. In addition, our nurse educators are available by appointment for nutritional consultation, diabetic education, weight management, and smoking cessation.

The Shakopee Mdewakanton Sioux Community Health Department offers a holistic concept of care. Care would include:

- Providing creative solutions in the area of health care costs for the community while maintaining a high quality of care.
- Offering a holistic concept of care that would respect and support the values and beliefs of both the individual patient and the community as a whole.

Shakopee Dakota Health Clinic

- A community owned and operated family practice clinic. The Shakopee Dakota Clinic provides primary care and case management services for Community members and Native Americans living in Scott County and employees within our service area. It is the goal of the community to provide health care that would:

- Protect and improve the health and well being of its members, employees, and service area Native Americans as well as to support the wellness education benefiting Native Americans in the Northern Plains Region along with throughout the United States.

Additionally, the Shakopee Dakota Clinic provides primary care and case management services for Community members and Native Americans living in Scott County as well as urgent care and occupational health services for its employees. Family Nurse Practitioners, Registered Nurses, and a Licensed Practical Nurse as well as a consulting Family Practice Physician staff the clinic and specialists as needed. Full laboratory services are provided through the Health East Medical Laboratory System. The Shakopee Dakota Clinic sponsors various health outreach functions including Men’s and Women’s Health Days, a specialty clinic for Diabetes and Metabolic Syndrome/Obesity management, a Mental Health Management Clinic, employee health programs, and an annual health conference for Northern Plains Native Americans. In addition, our nurse educators are available by appointment for nutritional consultation, diabetic education, weight management, and smoking cessation.

ELIGIBILITY-The following is a list of persons eligible to be seen at the Shakopee Dakota Clinic:

- Shakopee Mdewakanton Sioux Community members and their families,
- Native Americans living in Scott County
- Employees of the Community

REGISTRATION PROCESS:

Native Americans residing in Scott County will be asked to prove proof of tribal enrollment. All patients will be asked to show current health insurance cards.

CONTACT:

For more information or to schedule an appointment, please call the Shakopee Dakota Clinic reception desk at 952-496-8150.

Application Process:

Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.)

Material Required:

Intake paperwork is required in addition to address verification, tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or landline service (phone) subscribed to by the applicant.

Safety Seat Loaner Program

Because proper child safety seats are critical to keeping children safe, the Shakopee Mdewakanton Sioux Community is proud to offer a safety seat loaner program. When a child has outgrown their current seat that they have received through the program, the seat can be exchanged for the appropriate size. Staff will assist the family in proper use and installation.

Eligibility:

The SMSC Family and Children’s Services Department Safety Seat Loaner Program is available to American Indian Indian Families who reside in Scott County and meet income guidelines as specified by the program.

Application Process:

Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.)

Material Required:

Intake paperwork is required in addition to address verification, tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or landline service (phone) subscribed to by the applicant.

Parenting and Child Development

In the Shakopee Dakota Dental Clinic program, staff will assist the family in proper use and installation.

ELIGIBILITY REQUIREMENTS:

- The Shakopee Dakota Dental Clinic serves the Shakopee Mdewakanton Sioux Community members and their families, Native Americans living in Scott County and employees of the Community.
- Insurance coverage is encouraged, but not required at this time.

REGISTRATION PROCESS:

Native Americans residing in Scott County will be asked to provide proof of tribal enrollment. All patients will be asked to show current health insurance cards.

CONTACT:

For more information or to schedule an appointment, please call the Shakopee Dakota Clinic reception desk at 952-496-8148.

Youth Camp Program

American Indian youth may be eligible for summer camp scholarships. These camps provide a combination of leadership development, cultural experience and skill enhancement.

A limited number of scholarships are available for American Indian families in need of assistance. Registration deadlines vary by camp.

Eligibility:

- The SMSC Family and Children’s Services Department Youth Camp scholarships are available to American Indian youth between the ages of 15 and 18 who reside in Scott County and meet guidelines as specified by the program.

Application Process:

Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.)

Material Required:

Intake paperwork is required in addition to address verification, tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or landline service (phone) subscribed to by the applicant.

Youth Life Skills Program

Keeping It R.E.A.L.

The SMSC Life Skills Program is designed for Community members ages 15-18 to help guide and prepare them for their roles and responsibilities of becoming an adult member of the Community. The 18-week program covers a wide range of Community related issues, including SMSC history, tribal government and constitution, home building and financial management. While being specifically geared toward those members who are about to turn 18, the program welcomes all SMSC Community members to participate in any session.

For Life Skills schedules or information, please contact the SMSC Family and Children Services at: 952-496-6168

Eligibility:

- American Indian youth between the ages of 15 and 18 who reside in Scott County.
- Responsible for the child's care.
- Consent form is completed and signed by the parent/guardian.

Application Process:

Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.)

Material Required:

Intake paperwork is required in addition to address verification, tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or landline service (phone) subscribed to by the applicant.
Family and Children Services

The Family and Children Services department offers a variety of preventative and case management services to American Indians who reside in Scott County. Family advocates are available to provide in-office or in-home services to families in need. Programs and services are not limited to those listed below. We are sensitive to the uniqueness of each person or family’s circumstances and customize assistance and referrals as needed.

Child Welfare Program
Under the authority of the SMSC Domes- tic Relations Code, the SMSC Child Wel fare Office works to preserve the health and welfare of the children of the Shakopee Mdewakanton Sioux Community. Though the SMSC Child Welfare Program services are only available to those eligible as defined in the domestic relations code, the child welfare officer is available to provide information on Indian child welfare and make appropriate referrals for any family.

For more information, or to make a child protection report, please contact the Child Welfare Officer at: 952-496-6168

Childcare Subsidy Program
The SMSC is dedicated to increasing the availability, affordability, and the quality of childcare for American Indian families in need of assistance.

Eligibility:
The SMSC Family and Children’s Services Department Child Care Subsidy Program is available to American Indian Families who reside in Scott County. To qualify, families must have a parent who is working or attending a training or educational program.

Further eligibility is determined by family size and income. Applicants must apply for the Scott County childcare subsidy program before applying for the SMSC program.

Application Process:
Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.) To make an appointment or learn more about the program guidelines, call 952-496-6168.

Material Required:
Intake paperwork is required in addition to address verification, income, employment, school, and tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or land-line service (phone) subscribed to by the applicant.

Emergency Assistance Programs
Emergency Assistance Programs are available to American Indian families residing in Scott County. Resources are limited and will be determined based upon family income and need. A separate application is required for these programs.

Eligibility:
The SMSC Family and Children’s Services Department Holiday Program is available to American Indian Families who reside in Scott County and meet program guidelines.

Application Process:
Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.) To make an appointment or learn more about the Holiday Programs please call 952-496-6168.

Material Required:
Intake paperwork is required in addition to address verification, income verification, tribal enrollment verification, and birth certificates. Accepted forms of address verification are utility services (electricity or natural gas bill) or land-line service (phone) subscribed to by the applicant.

Holiday Programs
Special Holiday Assistance Programs are available to American Indian families residing in Scott County. Resources are limited and will be determined based upon family income and need. A separate application is required for these programs.

Parent Support and Education
The SMSC Family and Children’s Services Department recognizes that the family is the foundation of a community. We also recognize that while parenting can be one of the most rewarding of life’s endeavors, it can also be the most stressful. In an effort to provide positive parent education and support, we offer a variety of opportunities for parents to either join a group or meet with staff one on one. Programs offered include:

- Active Parenting – 12 week old
- Active Parenting of Teens
- Teen Parenting
- Cooperative Parenting for Divorced or Separated Parents
- Prenatal and New Parent Gift packs with a variety of information

Eligibility:
The SMSC Family and Children’s Services Department Parent Support and Education Program is available to American Indian Families who reside in Scott County.

Contract Health Services
Contract Health Services – CHS refers to funds appropriated by Congress to eligible Native American services for services provided by non-I.H.S. health care providers.

ELIGIBILITY REQUIREMENTS:
To benefit from Contract Health Services,
- You must be a Native American living in Scott County and either a member of the Shakopee Mdewakanton Sioux Tribe or maintain close economic or social ties with the tribe.
- You must use all other resources to pay for your care, such as Medicare/Medicaid and/or private insurance, before seeking contract health.
- If you have an appointment at an outside clinic, you must report this appointment to your CHS person before the appointment.

The Family and Children Services department offers a variety of preventative and case management services to American Indians who reside in Scott County. Family advocates are available to provide in-office or in-home services to families in need. Programs and services are not limited to those listed below. We are sensitive to the uniqueness of each person or family’s circumstances and customize assistance and referrals we provide.

Child Welfare Program
Under the authority of the SMSC Domes- tic Relations Code, the SMSC Child Wel- fare Office works to preserve the health and welfare of the children of the Shapoko Mdewakanton Sioux Community. Though the SMSC Child Welfare Program services are only available to those eligible as defined in the domestic relations code, the child welfare officer is available to provide information on Indian child welfare as defined in the domestic relations code, the SMSC Child Welfare Program is available to American Indian families residing in the state of Minnesota. The child welfare officer is available to provide assistance to families in need of assistance.

Family and Children Services
The SMSC Family and Children’s Services Department offers a variety of preventative and case management services to American Indians who reside in Scott County. Family advocates are available to provide in-office or in-home services to families in need. Programs and services are not limited to those listed below. We are sensitive to the uniqueness of each person or family’s circumstances and customize assistance and referrals we provide.

Emergency Assistance Programs
The SMSC Family and Children’s Services Department provides assistance to families in emergency situations. Emergency assistance may include first month’s rent and/or damage deposit, rental assistance to avoid eviction and utility assistance. We do not provide rental assistance for those who move and staff will verify the emergency status. If families are in a situation and we are not able to help directly, Family Advocates will provide referrals to other appropriate agencies. • Emergency travel vouchers are also available. Because the vouchers are for emergency travel only, applicants are eligible for one voucher every six months. Applicants must have a valid drivers license.

Childcare Subsidy Program
The SMSC Family and Children’s Services Department Child Care Subsidy Program is available to American Indian families who reside in Scott County. To qualify, families must have a parent who is working or attending a training or educational program. Further eligibility is determined by family size and income. Applicants must apply for the Scott County childcare subsidy program before applying for the SMSC program.

Application Process:
Appointments are available Monday through Friday (9:00 a.m. to 5:00 p.m.) To make an appointment or learn more about the Child Care Subsidy Program please call 952-496-6168.

Material Required:
